

# DRIVETRAIN INFORMATION FOR RETROFIT

Provide your information for individual offer

**FLENDER**

## 360° overview of gear unit and surrounding:

Please provide photos of the gear unit and surrounding area for consideration in our proposal.

## Ambient data:

Application \_\_\_\_\_

Min./max. ambient temperature \_\_\_\_\_

Altitude \_\_\_\_\_

Voltage, frequency \_\_\_\_\_

Country \_\_\_\_\_

## Drive details:

Motor power/consumption power \_\_\_\_\_

Input/output speed and ratio \_\_\_\_\_

Gear unit brand and type \_\_\_\_\_

Cooling system information \_\_\_\_\_

Input and output coupling/connection \_\_\_\_\_

## Briefed information of condition or problems with the existing gear unit:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

Please send this filled out data sheet as well as additional documents like dimension drawings, drivetrain documentation and photos of the gear unit, couplings and surrounding area to this e-mail address: [cs-md-service.industry@flender.com](mailto:cs-md-service.industry@flender.com)
